DETECT TRUTH

Prerequisite: Alien, Psychic or Robot

You have the ability to tell if the person you are talking to is lying. This grants you a bonus of +6 when trying to determine the veracity of someone you are speaking to. It might be a psychic talent, or a built-in gadget such as a truth beam. While it is a powerful ability, it can only tell if the target believes what they are saying, and it can also be fooled by cleverly worded deceit.

Effect

good, major, characters, alien, psychic, robot
