

# TIME LORD ENGINEER

**Prerequisite:** [Time Lord](#), [Technically Adept](#)

Some Time Lords eschew the more theoretical and philosophical sciences and concentrate, instead, on the more practical application of technology. Obsessed with honing their technical skills, these inveterate tinkers typically find themselves working to maintain Gallifrey's vast infrastructure or working in a TARDIS repair bay after they graduate from the Academy.

## Effect

This Trait doubles the effect of the Technically Adept Trait, giving a +4 to all uses of the Technology Skill.
